DETAILED ACTION

Allowable Subject Matter

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the prior art does not teach or render obvious the total combination as claimed including a system for applying a substance and operable with a manual printing press and a screen having a screen frame and a mesh, the screen mountable in the printing press comprising a frame system with a MRS frame mountable with the screen frame, a track system having a first and second track frame located at opposing sides of the MRS frame, each with a receiving end and an exiting end and each configured with an upper track and a lower track, the upper track having a flanged area at the receiving end and a recessed area at the exiting end and a height adjuster configured to adjust a height of the track system relative to the MRS frame and a squeegee.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
